The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmLA), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The below conditions are applicable to all film permit requests for the area bounded by 101 Freeway on the North, Longridge Avenue on the West, Moorpark Street on the South and Van Noord Avenue on the East.

- **Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10:00 p.m.,** unless approval is obtained from the Permit Authority. and the approved times are indicated on the permit.
- **The total amount of posted parking may not exceed 600'. Honeywagons shall be placed at base camp unless placement is pre-approved by the affected resident(s).**
- **Equipment vehicles may be parked on one side of the street only and shall not interfere with the safe access and use of the streets. The placement of film company vehicles shall not interfere with trash pickup on Wednesdays, any pre-scheduled gardener activities, or access to/from resident driveways.**
- **Filming will be limited to only one production company per day in the area.**
- **Generator(s) must have proper noise shields and shall be parked in front of the location home only.**
